**Frequency:** 2.4 GHz  
**Polarisation:** Circular  
**Connector:** SMA Plug (RP)  
**Dimensions:** 10cm height & 7cm diameter

**Gain:** 2db  
**Beamwidth:**  $\pm 35^\circ$  (Typ) Vertical  
 $\pm 180^\circ$  Horizontal (Omni-directional)

**Applications:** Omni CP Antennas are commonly used in mobile applications where either end of the link (typically transmitter) is moving. The circular polarization helps reduce the effects of multipath.
