

DEA_2400_2_Omni_CP RH
(Artikelnummer 10953)

Frequency: 2.4 GHz
Polarisation: Circular
Connector: SMA Plug (RP)
Dimensions: 10cm height & 7cm diameter

Gain: 2db
Beamwidth: $\pm 35^\circ$ (Typ) Vertical
 $\pm 180^\circ$ Horizontal (Omni-directional)

Applications: Omni CP Antennas are commonly used in mobile applications where either end of the link (typically transmitter) is moving. The circular polarization helps reduce the effects of multipath.
